The Northside Retirement Recognition

Hundreds of retirement celebrations are held throughout Northside Independent School District as employees announce their retirements. But the official District event is the Northside Employee Recognition & Retirement Celebration where retiring staff receive accolades and gratitude from the Superintendent and the NISD School Board.

While no recognition can possibly thank each retiree enough for the collective thousands of years of service to children, the District presents each retiring staff member with a beautiful clock engraved with a sentiment of gratitude, a Northside Gold Card that provides free admission for two to all fine arts and athletic events at all schools, a discount to all Adult & Community Education classes, a discount and access to the Northside swim facilities, as well as an invitation to stay involved in NISD through the Northside School Museum.

The Northside Service Pins

Since the late 1970s, Northside ISD has been recognizing service of employees to the children of this District by awarding Service Pins for milestone years.

All but the 10-Year Pin are presented at the annual Northside Recognition and Retirement Celebration which is attended by hundreds of employees and their families, friends, and co-workers. The 10-Year Pin is presented at the employees' actual workplace whether it is at a school or support facility.

The Service Pin, which is in the shape of the original Northside N logo, is presented to employees who reach 10, 20, 30, 35, 40, 45, and 50 years of service. The original Northside N logo was more rounded compared to the current design which is bolder and more contemporary. The current logo was updated in the late 1980s.

The Service Pin has kept the design of the original Northside N logo to remind us about the strong foundation on which NISD was built. While the shape of the logo has changed, the commitment to children and community that the original N represents lives on.

The 10-Year Pin is sterling silver.

The 20-Year Pin is 10K yellow gold.

The 30-Year Pin is 10K yellow gold set with one 2-mm diamond chip.

The 35-Year Pin is 10K yellow gold set with one 2-mm diamond chip and one 2-mm sapphire chip.

The 40-Year Pin is 10K yellow gold set with two 2-mm diamond chips.

The 45-Year Pin is 10K yellow gold set with one 2-mm diamond chip and one 2.5 mm diamond chip.

The 50-Year Pin is 10K yellow gold set with two 2.5-mm diamond chips.
