

## Deliveries

In an effort to minimize interruptions and maximize instructional time, we do not deliver items directly to students. However, we also recognize that students will sometimes forget an item at home. We will deliver eye glasses, house keys and lunch money. For all other items (ex: homework, binders, cleats, football pants/pads, band instruments, PE uniforms, etc.) the student is expected to come to the front office BETWEEN classes to retrieve their belongings. If the student is unaware that the item is being dropped off, we will not deliver the item or notify the student that the item is here. Students are aware of this policy and are told to come to the front office if they are expecting a delivery or think you may deliver something they forgot at home.

Balloons, flowers, gifts, and fast food will not be accepted or delivered.

Thank You
