

# **ATTENDANCE STUDENT REMINDER**

You **can not** exceed more than  
9 absences per semester and 18 in a year.

If you exceed this amount you  
**MUST ATTEND** Saturday school.

Full Day absences **WILL NOT**  
be automatically waived!  
You **must** do your part first.

½ day absence with a Dr Note will then be recorded as an **H**  
in the gradebook does not count against a student. So please  
remember to bring a note if you go to a doctor appointment  
during the day. If you do not bring a note it will remain **EA**  
(excused absence) this does count towards your 9 for the  
semester.

Failure to follow guidelines can result in loss of  
credit due to excessive absences.

**DO NOT WAIT UNTIL THE LAST MINUTE,  
START NOW!**
