### VIOLENCE PREVENTION PROGRAM

I give permission for my child; \_\_\_\_\_ to participate in the  
(print)

Violence Prevention Program, while he/she is assigned to the Northside Alternative High School.

Students will receive the training and information regarding the techniques and strategies to use in handling conflict and avoiding violent situations. The training will cover the following areas:

- \* **Explore the nature of violence**
- \* **Understand anger and the causes of violence**
- \* **Practice positive strategies for conflict resolution**
- \* **Avoidance of crime and violence**
- \* **Avoidance of the harsh realities of prison life**
- \* **Discover techniques for making responsible choices**
- \* **Develop lifelong strategies for avoiding violence**
- \* **Sharpen problem-solving skills**

The instructor and guest presenters will conduct training in three class periods using videos, workbooks and presentations. Students are required to attend special presentations from Officer Jacinto (ACA Coordinator) from the Fabian Dale Dominguez Unit and Adriana Felts from the NISD Safe and Drug Free Program.

Upon, successful completion of the classes and the required attendance to the special presentations, students will receive a Certificate of Completion.

If you feel that your child would benefit from participating in the Northside Alternative High School Violence Prevention Program, please sign and date below.
