In addition to full text, this database offers indexing and abstracts for more than 9,990 journals and a total of more than 10,400 publications including monographs, reports, conference proceedings, etc. The database features PDF content going back as far as 1887, with the majority of full text titles in native (searchable) PDF format. Searchable cited references are provided for more than 1,000 journals. |
| <b>Gale Databases:</b>                                   |  |
| Student Resource Center-Gold                             | offers easy access to award-winning content based on national curriculum standards. Covering all core curriculum areas, including history, literature, science, social studies, and more, SRC - Gold provides a premium selection of reference material, more than 1,100 full-text periodicals and newspapers, primary sources, creative works, and multimedia, including hours of video and audio clips and podcasts.   |
| Opposing Viewpoints Resource Center with Critical Issues | is a one-stop source for information on today's hottest social issues. OVRC features viewpoint articles, topic overviews, full-text magazine, academic journal, and newspaper articles, primary source documents, statistics, images and podcasts, and links to websites.  |
| LitFinder for Students                                   | Covering world literature and authors throughout history, LitFinder for Schools contains a wealth of literary works, including over 150,000 full-text poems, short stories, speeches, and dramatic works. For students seeking a deeper view into literature, LitFinder for Schools also includes biographies, work summaries, author images and a full glossary of literary terms. From Shakespeare's sonnets to the poetry of Maya Angelou or short stories by Edgar Allan Poe to works by Annie Proulx, LitFinder for Schools has you covered.  |
| Literature Resource Center                               | contains full-text journal articles, literary criticism, reviews, biographical information, and overviews on over 130,000 writers in all disciplines, from all time periods and from around the world.   |
| Gale Virtual Reference Library                           | is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials once were accessible only in the library, but now you can access them online from the library or remotely 24/7. This is an Ebook collection that belongs to J.P. Stevens, as the Library purchased these Ebooks.  |
| NetTrekker   | Connects you to more than 180,000 hand-selected, educator-approved resources and images – organized by grade and readability level and aligned to Texas standards.   |

|                             |  |
|-----------------------------|--|
| ABC-Clio Databases          | consists of the following – American History, American History, Issues, World Geography, World History (Ancient), World History (Modern). These give excellent information on the subjects in each area and include thousands of photos and primary source documents. Each database offers an link to Explore a Topic and one to Analyze a Topic.  |
| SIRS Researcher             | covers topics on Social Issues, Health, Science and Business. The Pro/Con feature is great for finding an overview of a topic, as well as the Pro argument with links to articles to support the position and the Con argument with links to articles to support that position.  |
| NoveList Plus               | is a comprehensive readers' advisory solution for fiction lovers. With its intuitive interface and extensive feature content, NoveList will help you to answer the question of what to read next.  |
| CQ Supreme Court Collection | blends historical analysis with timely updates and expert commentary of Supreme Court decisions, biographies of Supreme Court justices, Supreme Court institutional history, and the U.S. Constitution. Users can access information by topic, justice, and case name.   |
| CQ Weekly                   | The CQ news team - by far the largest on Capitol Hill, with more than 100 reporters, editors and researchers - covers virtually every act of Congress, delivering nonpartisan news and analysis unavailable anywhere else. You get in depth reports on issues looming on the congressional horizon, plus a complete wrap up the previous week's news, including the status of bills in play, behind-the-scenes maneuvering, committee and floor activity, debates and all roll-call votes.   |
| Oxford Reference Online     | combines rich and scholarly resources with authoritative, quick-reference coverage of the full subject spectrum. It also offers excellent functionality, and a wide range of additional material such as maps, illustrations, and timelines. Works available include many of the Oxford reference books on the Stevens reference shelves, as well as other Oxford volumes. The Literature component and the Western Civilization component add a number of other reference titles to this Ebook collection.  |
| TeachingBooks.net           | is a time-saving portal to thousands of online resources you can use to explore children's and young adult books and their authors. It provides immediate access to useful materials and exciting programs (short movies, audio book readings, book discussion guides, and more) that add a multimedia dimension to reading. Use TeachingBooks.net to look up any favorite author — from David Macaulay to J.K. Rowling, from Dr. Seuss to Shakespeare — or any title (fiction or nonfiction). You instantly get search results filled with online teaching / learning resources about that author or specific book. |
| Grove Art Online            | is an innovative new gateway that offers users the ability to access and search the vast content of Grove Art Online and Oxford art reference in one location. Oxford Art Online also includes image partnerships with ARTstor, the British Museum, the Museum of Modern Art, the Metropolitan Museum of Art, Art Images for College Teaching, Art Resource, Artists Rights Society and numerous international art galleries and artists.  |
| Grove Music Online          | has been the leading online resource for music research since its inception in 2001, a glorious compendium of music scholarship offering the full texts of The New Grove Dictionary of Music and Musicians, 2nd Edition (2001), The New Grove Dictionary of Opera (1992), and The New Grove Dictionary of Jazz, 2nd Edition (2001), as well as all subsequent updates and emendations. Including 50,000 signed articles and 28,000 biographies contributed by over 6,000 scholars from around the world, Grove Music Online is the unsurpassed authority on all aspects of music.                                    |

|                             |  |
|-----------------------------|--|
| AP Images                   | a division of The Associated Press, is one of the world's largest collections of historical and contemporary imagery. AP Images offers thousands of graphics including diagrams, maps, charts, logos and more. Spanish and German graphics are also available.   |
