

OverDrive October

October has been designated as “Overdrive October”!

Do you know that your library provides digital resources such as ebooks, audiobooks, and streaming video for 24/7 access? NISD's Overdrive does just that!

*Join us for **Overdrive October**, Northside ISD's month-long promotion of our **Overdrive Digital Library**. Through **Overdrive** you can check out books, audiobooks, and streaming video for your student! To begin using Overdrive all you need is a digital device! Log in at nisd.lib.overdrive.com using your student ID number with and S in front. (You also need to download Adobe reader, if you don't have it)*

*In celebration of this month-long promotional event NISD will be giving away a Kindle (courtesy of Overdrive) to one lucky student or teacher at the end of the October. Enter to win by checking out a digital resource from **Overdrive**. If you need more information contact Mrs. Villarreal, Blattman Librarian, or make an appointment, if you need help adding **Overdrive** to your device.*

Thank you and Happy Reading!

Gracie Villarreal
