Attendance Recovery Policy

If you accumulate more than 9 excused or unexcused absences, you will be denied credit. In order to recover your credit(s), you must attend Attendance Recovery sessions. Students cannot "bank" absences (bring total below 9) and attending Attendance Recovery sessions will not prevent a court referral.

1. You must arrive on time. You will not be allowed into the room if you are late.
2. Students must work on academic tasks. Bring homework, a novel, or a project and supplies needed to complete your work.
3. Students will receive one hour of credit for each hour of Attendance Recovery.
4. Students must be in dress code.
5. If the student is asked to leave early due to a problem, the time will not count, and he/she will be referred to the administration. Parents will also be notified.
6. All NISD rules as listed in the handbook will be enforced.
7. No cell phones, food, drinks, games, cards, or sleeping will be allowed.

All Attendance Recovery hours must be completed during the designated times and at the locations given above, unless approved by Mrs. Almendarez
