

RESTARTING RECYCLING

- Hello Bears! We are starting recycling again so please help us to reduce, reuse, and recycle by following our guidelines.

WHAT WE NEED FROM YOU

- PAPER ONLY. ABSOLUTELY NO CARDBOARD OR PLASTIC. NONE.
- Teachers and staff must use their own recycling bin. (Copy paper boxes work well just be sure to label them)
- Encourage your students/coworkers to recycle
- Put your bin out on the Thursday of your assigned week listed below. Just like home: If you don't put it out it doesn't get taken.
- Patience- There are many classrooms and few volunteers so if we can't get to your room in time for your day please don't quit recycling. We will be doing our best to be sure this doesn't happen.
- Please notify your students who need community service hours that this is a year round opportunity to earn their time. We meet in C125 after school on that Thursday and disperse from there.

E100s	First week of the six weeks
E200s	Second week of the six weeks
C100s	Third week of the six weeks
C200s	Fourth week of the six weeks
Basement/portables Fine arts/Main offices	Fifth week of the six weeks
Gym and Library	Sixth week of the six weeks

Questions, comments, or concerns about the energy or environmental side of Brennan?
