

Meningitis Vaccines!

University Health System(UHS) will be providing meningitis vaccines to interested students **February 7th** on campus, from their mobile clinic unit.

****The Meningococcal vaccine is required to attend ALL colleges in Texas and can cost uninsured families upwards of \$120 in other clinics****

The shot will be available to all Brennan seniors who complete the UHS packet.

THE UHS SHOT PACKET MUST BE FILLED OUT *IN ITS ENTIRETY* AND SIGNED BY BOTH STUDENT AND PARENT (EVEN IF THE STUDENT IS OVER 18)

If you have insurance coverage, the information must be written-in and a copy of the insurance card must be submitted with the packet. *Only if you do not have insurance coverage may the page be left blank.*

Insurances will be billed for the shot. There is no copay due, and students should NOT see a bill if insurance doesn't fully cover. If you do not have insurance coverage, the shot will be grant-funded. There should be no charge to families.

Forms are available in the Career Center, and can be printed out from nisd.net/brennan.

Please return filled out form to Ms. Saenz in the Career Center by **January 25th**.

STUDENTS WILL NEED:

- **A copy of their shot record**
- **Copy of Parent I.D. or SSI.**
- **A copy of insurance card, if applicable**

If you have any questions, contact Ms. Saenz in the Career Center at (210) 398-1384 or stephanie.saenz@nisd.net.
