GREETINGS FROM MS. SHAW and MS. DEHOYOS

February is already here! We can't believe how fast the school year continues to fly by. The students are continuing to excel in their academics and our teachers and staff are working very hard. We appreciate your continued support of your children. There are so many wonderful things happening here each and everyday at Carson! We LOVE going into each classroom and seeing the students engaged in learning! We wish everyone a fantastic February filled with lots of love, laughter, and learning!

Our school calendar of events can be found on our Carson website at <http://nisd.net/carson/>. Just click on calendar along the top.

ATTENDANCE

As we all know the flu season is here. Due to this we have had lots of students signed out early or absent for sickness and/or dr appointments. Please remember to send in dr notes for appointments, and a parent note for being signed out early for sickness, etc. Note, if Nurse Cathy sends students home sick, send a parent note the next day and these will be excused from your child's attendance records. Thank you to all of you that are doing this already. If you have any questions, feel free to call Mrs. Frank at (210)397-1108.

VALENTINE'S DAY

Valentine's Day is an important day to show others how much you care for them. However, this particular day is not a party day at Carson. Teachers will be sending information about exchanging Valentines cards, but food items will not be allowed. If you would

like to send a treat, please give non-edible items such as pencils and/or stickers. Thank you for your support!

RODEO DAY

Students all over Northside will be wearing their western wear for Rodeo Day on Friday, February 22nd. We hope to see lots of our Carson Cowboys with their boots on!

NEWS FROM THE NURSE

Flu season has NOT yet peaked. We continue to see many students with the flu at our school and surrounding schools. We are also seeing cases of Strep throat and many cold viruses. Please remember to keep your student home if they are showing signs of illness. This includes fever over 100.0, continuous cough, and extreme fatigue. Students should not return to school until they have been fever-free for a full 24 hours (without fever-reducing medicine). Please call the clinic with any questions or concerns. Stay well Carson families!

School Nurses

Care for Kids

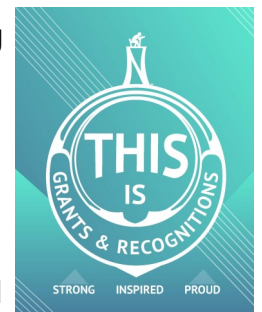

EDUCATOR OF THE YEAR

Congratulations goes to Mrs. Morgan Beck, who is our Carson Educator of the Year. She is currently a 4th grade teacher and Student Council sponsor. She is an asset to our campus and her team. If you see Mrs. Beck in the hallways, please stop by to congratulate her.

NEF Grants

Many congratulations to our reading specialist Mrs. Soto and our math specialist Mrs. Gibson for being awarded \$5,000 EACH from the NISD NEF Innovation grant! Their hard work and determination for educational success shows each day here at Carson. This money will be used to purchase new iPads as it will further assist our students needs. Way to go ladies, we sure are proud of y'all!!

Online Registration

Big shout out to all of our Carson families. Online registration was a huge success here at our campus in which we only have **18 students** left to register. Thank you for being patient and understanding as this new registration system is a learning curve for us all!
