## Pre-AP Summer Reading

Dear Parent,

Congratulations to your child for choosing to participate in the Northside Independent School District Pre-AP ELA course. The Connally ELA teachers and I are pleased that your son or daughter has accepted the challenge of this more rigorous course. An important part of this academic program is summer reading, which offers an opportunity for enrichment in reading and writing.

Students who have selected Pre-AP ELA will need to read **one book** (fiction or nonfiction). Below are links to access lists of book titles to help your child decide on a book.

Because we know our students will be selecting great books to read over the summer, they will be asked to share information about their books with fellow students. When students return to school this fall, they will have two weeks to work on their book talk presentations.

Students can access books at the public library, local book stores (Half Price Book Store), and online book sellers. The students are responsible for obtaining a copy of the book they choose.

If you have any questions, you may contact your child's ELA teacher. In the meantime, congratulations to your child for choosing Pre-AP ELA. I wish them happy reading!
