Greetings Evers Families!

Welcome to the last week of school! I would like to thank you for giving us the opportunity to work with your child this school year! Our theme this year was Stronger Together United We'll Grow and it has certainly been a great Evers Strong school year! We want to encourage you to continue promoting summer reading and also practice important math facts so that our students can continue with the learning momentum throughout the summer. We would like to wish all of our families a restful and fun filled summer! To our fifth grade families, we wish all of our students nothing but the best! Continue maximizing your potential!

Thank you for being our partner in education. We encourage you to stay connected with our school activities and events for 2017-2018!

Sincerely,

Talia Hernandez-Principal
