

# NATIONAL SCHOOL COUNSELING WEEK

**HGMS February 5-9, 2018**

**“Helping Students Reach for the STARS”**

The HGMS Counseling Department would like to bring awareness on what counselors can do for our students! We are here to help students explore their dreams and discover how to achieve them. We are also here to help students maneuver through things that can get in the way of achieving their dreams! Come by and talk to a counselor today! And thank you to students, teachers, and parents for your ongoing support!
