Pets at School

We have seen a number of our families bring their beautiful dogs with them to school. Both Mr. Bock and I have our very own pets at home too. Mr. Bock has 2 large dogs named Apollo and Belle and I have 4 dogs. 2 large outside dogs-Charlie and Max and my 2 baby girls who live with my boys inside named Princess, a Chihuahua and Mimi, a Pug so, you know these two administrators LOVE dogs!

*However, school is not the place to have
your dogs visit!!*

Many of our children are quick to want to touch cute looking dogs and even the cute ones can be a bit dangerous if a child is bitten and has an allergic reaction to the bite or dander.

Please keep your cute dogs at home! I am sure they will be just as excited when your child gets
