Please call 210-358-7020 or visit www.healthyUexpress.com to make an appointment. Appointments and walk-ins are accepted while supplies last. Parents are asked to bring immunization records to appointments and proof of legal guardianship. They accept private insurance, CHIP, Medicaid, and CareLink. Texas law requires all public school children have current immunizations in order to attend class. For a complete list of immunization clinics in San Antonio, call San Antonio Metro Health at 207-8894. For additional information about immunization services, visit the San Antonio Metro Health website.
