

Krueger Elementary
School Song
By: Eva Young

There's a place in this world for me,
a place of discovery,
where I can grow in ability,
it's Krueger Elementary!

I can reach for the best within me,
I can be what I dream I can be.
We're all learning together,
in the Krueger family.

Every day, full of possibility,
a colorful world to explore.
Red, black, and white for you and me,
Cavaliers we're proud to be.

Go Krueger!
