### Principal's Corner

Dear Krueger Families,

I want to thank the staff and students for a wonderful October. We had many different events going on last month: College Spirit Day, Picture Day, our first Advisory, Marcos Pizza Night and Red Ribbon Week to name a few! November is also going to be busy considering it is a shorter month due to the Thanksgiving holidays. Make sure you take time to read the "Points of Interest" section to see all of our scheduled events.

Just like last year, we monitor our students' attendance and strive to have 100% of our students at school each day. Mrs. Velasquez, our vice principal, acknowledges classes and students with perfect attendance each week. A trophy is awarded to the classroom at each grade level with the best attendance rate for the week. Mrs. Velasquez also has a random weekly drawing of students that were never absent, tardy, or left school early during the week. These students win an attendance pencil. In addition, we award "Perfect Attendance" spirit sticks to students at the end of the school year. Students miss important information when they are absent, so we want them at school every day, if possible. Thanks for your support in this effort!

I'd like to thank our crossing guard, Ms. Mary Callahan, Coach Piernik, Coach Villarreal, Mrs. Quintanilla and our patrols for a great start to the year! They do their best to safely dismiss 700 + students each afternoon, but we still need your assistance. As always, we ask that you drive slowly in our school zones and on campus. Please watch for students crossing the streets and never text while driving. Please follow directives given by our staff that assist with traffic every day.

As we sit down with our families this Thanksgiving and reflect on all of our blessings, one of the things I'm most thankful for is the opportunity to serve as principal at Krueger. This is my twelfth year to serve and each year seems better than the previous one. I hope you enjoy your week-long vacation and that you get to spend some quality time with your families.

Your partner in education,
