

How does a student earn the sweepstakes drawing ticket?

The teacher will keep track of the student's daily attendance. Students must be at school at 7:45. Teachers may need to make some sort of mark on the Attendance Card if student is not in class at 7:45. On Friday during Class Advisory, the teacher will pass out the sweepstakes tickets to those students who were here on time for that week. The sweepstakes tickets will be given to each grade level teacher. The student will put their name and teacher name on the ticket. A jar for each grade level will be in the glass case in the front area where the classroom teacher will place the raffle tickets.

If a student is absent during the week, they must bring an excused note to earn their ticket for the week.

When is the drawing?

The drawing will be held at the end of the month. There will be a winner in each grade level. The parent and student will win a prize. The winners will be announced on the morning announcements. The parent will be notified by Mr. Perez.
