"The purpose of Learning Tree is to offer opportunities for children to access academic, enrichment, social, and recreational experiences in an after-school environment that is safe, drug-free, and supervised."

NISD was recently awarded a Texas Afterschool Centers on Education™ (ACE) grant, administered by the Texas Education Agency (TEA) and funded by the 21st CCLC Program administered by the US Department of Education. The ACE Learning Tree program provides a structured, safe, and supervised place for learning and social interaction. The program connects the after school hours to the school day by expanding learning and enrichment activities that can improve student achievement. The goals also include: to improve attendance, behavior, promotion rates, graduation rates, and preparation for college or the workforce. The grant provides funding so that parents are not charged for this program.

**Program Hours:
Monday- Friday: 2:45 pm – 5:30 pm
(Closed on School Holidays and Early Release Days)**

**Registration Information:
There is an application process that will need to be reviewed and approved. Transportation is available. Please contact Mrs. Veronica Nunez for more information.**
