

School Visitors

- **Visitors are welcome at Monroe May Elementary School. For the safety of our students, visitors are required to come by the school office to sign-in and take a visitors' badge before visiting any part of the school. An ID is required to sign in and to check out students.**
- **Parents who pick up their children during school hours will need to come by the office to check the students out of school.**
- **The office staff will ask for the parents' identification before calling the classroom teachers who will send the children to the office.**
