MEMBERSHIP UPDATES

Thank You Thank You Thank You!

This year has started off strong thanks to you. We wanted to say Thank You to all 128 members who have joined PTA already. Thank You to all who have shown interest in volunteering in one way or another. Thank you for all the recycle donations we have received for the Family Recycle Craft Night.

None of the programs and events would be possible without the help of our fabulous volunteers and PTA membership. If you haven't already, please consider joining the PTA. You are never obligated to volunteer your time if you are unable. Your \$7 fee goes directly to the school for these events. You can join at any time by sending a note with your fee to school with your child, stopping by the office, or find us at the PTA table during each of the General Meetings.

The August/September PTA Membership Drive went fantastic. The week of October 2nd, PTA will deliver pencils to every class that has at least one membership in addition to the teacher. The class with the most memberships gets a surprise gift for the teacher. **CONGRATULATIONS Ms. Perdue!**

The October/November PTA Membership Drive will be a friendly competition between classes to see who can have the most memberships total. It will run from October 2nd – November 10th. The willing class will receive a Pizza Party on Friday November 17th. Good Luck!

FAMILY RECYCLE CRAFT NIGHT

We look forward to seeing you all at the October 12th General PTA Meeting at 5:30pm. Following the PTA meeting you will get to see a performance by our 4th graders, and make some simple crafts out of recyclables.

We still need cereal boxes, paper towel/toilet paper rolls, and art supplies. Donation boxes are in the hall at the front entrance.

We also need a few volunteers that would be willing to help at a craft table during the event. We will give you all the information you need, but we just need someone willing to help pass out materials and/or give basic instructions on the craft if necessary.
