2017 Annual Report
*Fiscal Year June 2016 to May 2017
The previous and current Northside ISD themes – “Northside Strong” and “Northside Inspired” – are both themes the Northside Education Foundation (NEF) supports and models. NISD students, faculty and staff inspire NEF to continue its mission to strongly support their success.

As I reflect on my time with the NEF Board of Directors and serving as president, I’m grateful for having the opportunity to work with such a phenomenal group of volunteers. I’ve enjoyed rolling up my sleeves to benefit Northside.

NISD continues to grow by leaps and bounds and now has almost 107,000 students enrolled. To keep up with the increased demand for resources and to improve community engagement, the Foundation continues to align its strategic planning with the District and implements purposeful innovations and efficiencies.

During my term, NEF achieved several successes I’m very proud of such as:

- Ranked in the Top 50 education foundations in the U.S., #1 in Bexar County, by The Caruthers Institute
- Named a finalist for a Texas Education Foundation Network Outstanding Achievement Award in fundraising and received $1,000
- Received a Texas School Public Relations Association Gold Star Award for the 2015 NEF Employee Pledge Drive
- Launched first-ever annual giving program – “NEF Nation”
- Launched the NEF Encore Grant Program, a new program to sustain exceptional NEF grant funded initiatives in Northside
- Awarded almost $740,000 in grants to NISD staff
- Executive Director named 2017 SA Business Journal “40 Under 40” Winner

On behalf of the NEF Board of Directors, I hope all of our donors, partners and volunteers will join us in continuing to serve NISD’s inspirational teachers, administrators, counselors, custodians, and so on. I know that together we can better prepare Northside students to be college- and career-ready, and to challenge them to meet their full potential. NEF’s able to do this by fueling innovation in the District.

As we look to the future, I have complete confidence in NEF continuing to be successful in the years to come. Thank you for the honor to serve.

Letter from the President-Elect

Serving on the Northside Education Foundation (NEF) Board of Directors has been a fulfilling experience and I’m extremely honored to serve as president starting January 2018. I’m committed to maintaining the high-level of excellence NEF has demonstrated for more than 20 years.

NEF’s founders and past presidents must be very proud of the many ways the Foundation has championed education in Northside. I know I am. My predecessors, with the continued support of NISD, have begun several efforts to propel us into the future.

For example, NEF’s largest corporate and community fundraisers, our annual gala and 5K Run/Walk, are both sanctioned San Antonio Tricentennial Celebration partner events. In 2018, San Antonio will mark its 300th anniversary. Both the gala and 5K Run/Walk will take place at new venues in 2018.

We’re excited about this partnership and to be part of this historic celebration that will showcase educational, artistic and entertaining events, including some of the Foundation’s!

Another example of NEF’s continuous improvement is the launch of the “NEF Nation”. This is the Foundation’s first-ever annual giving campaign. Anyone can join the NEF Nation; however, this initial campaign targets Northside alumni. The 18-month campaign includes raising awareness and advocacy for NEF, as well as fundraising.

To join the NEF Nation, please visit nefnation.nationbuilder.com and feel free to share the opportunity with NISD alumni and supporters you know.

The NEF Board of Directors hopes all of our donors, partners, volunteers, and Northside alumni will join us in continuing to make a positive impact on NISD students’ future and in our community.

NEF Designated Funds and Grants

Reminding staff members they do not have to be teachers to apply for grants, NEF solicits funds from all types of NISD employees during its Annual Employee Pledge Drive and, in turn, opens funding options to programs such as Adult and Community Education, and NISD departments like Transportation and Maintenance.

Grants are read and scored by a committee of NEF Board members, NISD staff, and volunteers. Training for how to apply for and win a NEF grant is provided in-person, one-on-one, and in webinars produced by the NISD Grants and Recognitions Department under the leadership of Director Sharon Sanchez.

In addition, NISD is able to use NEF’s tax-exempt status to apply for other grants that are not open to public school districts without NEF’s 501 c-3 authority. Designated or restricted donations to NEF are designed to be exclusively donor-driven. In each, IRS rules limit the use of funds to the specific goals of the donor.

The Foundation has 39 designated funds. Unlike other foundations that manage tax-exempt gifts, NEF does not charge an administration fee for handling restricted funds and applies interest earned to funds of $10,000 or more commensurate with the NEF endowment’s performance.
2013 – 2018 Strategic Plan Priority Goals:

I. **Community Engagement** — Effectively promote awareness of NEF and NISD activities through participatory stakeholder communications and engagement among students, parents, alumni, and the business community to strengthen and diversify advocacy and programs.

II. **Maximize Benefits to Students** — Provide for innovative programs for Northside students, faculty, and staff above and beyond the provisions of the regular NISD budget by funding eligible grants competitively (increasing the percentage of grants funded each year) and developing a plan to sustain successful programs.

III. **Invest Wisely** — Continue to maintain fiscal stability and endowment growth aligned with the ever-changing needs of the District.

IV. **Donor Diversification** — Provide a wide array of options for donors who choose to support education, with the goal of increasing the amount of funds as well as the number of donors.

V. **Board Leadership and Development** — Recruit and retain diverse Board of Directors members who represent the NISD community that can volunteer time, energy, expertise, and financial support, as well as aid in developing successors, to advance NEF’s goals.
Thank You 2016-17 Generous Donors!

The Northside Education Foundation’s Board of Directors and the students of Northside ISD extend their gratitude for NEF gifts to the following donors** for 2016-17 who are listed below.

**Does not include 4,632 Employee Pledge Drive participants who donated $180,958, and 3,661 United Way Campaign participants who donated $194,712.
