

Student and Parent Agreement

We understand that the curriculum of Construction Careers Academy is designed for students interested in pursuing a career in a construction related field. We understand that admission to the Construction Careers Academy is competitive, and if accepted, we understand that satisfactory behavior, conduct, attendance and academic progress are mandatory for continued enrollment. Attendance at the Academy is a privilege not at right. We realize that administrators from Construction Careers Academy will view discipline and attendance records as part of the application process. Due to outside contact with professionals, future employers, and the general public, a higher standard of appearance is expected of all Academy students than what may be expected at a traditional high school. We understand that the Academy administration and faculty will advise students on the responsibility of maintaining a mature and professional appearance, including length, coloring, and styles of hair grooming as well as appropriate dress and footwear. We agree to abide by all NISD policies including discipline, regular and punctual attendance, good conduct, and passing grades. Because computer technology and internet access are an important component of the Construction Careers Academy curriculum, we agree to ethical practices regarding computer security and communication networks. We agree to follow NISD policies regarding computer Internet use. We understand that if we transfer to another high school, UIL rules prevent us from playing varsity athletics for one school year.

____ 3. Completed CCA Magnet School Course Selection Card

Applicant's Responsibility:

____ 4. Student and Parent commitment signatures

____ 5. A written paragraph entitled "Why I Would Like to Attend the Construction Careers Academy"
(see following page)

Area(s) of Interest

CCA offers a number of academic options for students. It is important that applicants indicate the area(s) that interests them the most at this time. **Detailed information on each strand can be found on the CCA website at www.nisd.net/cca/coursework.** The information on the website will help with making an informed decision. Applicants may select more than one option:

Construction Technology: Plumbing/Pipefitting/Welding HVAC (A/C & Heating) Carpentry Electrical
 Architecture Construction Management Applied Engineering

Rank Applicant's Area(s) of Interest

Applicants who selected more than one strand will need to rank their selections in order of interest with one being their top choice. Applicants interested in only one area should indicate their selection in the first slot.

1. _____

4. _____

2. _____

5. _____

3. _____

6. _____
