

## What You Need to Know About the Digital SAT & PSAT

### How is the digital assessment the same as paper?

- Same content assessed
- Same scale 1600
- Khan Academy is still available: <https://www.khanacademy.org/>
- Students will be connected to scholarships
- Accommodations are still supported with approval from College Board

### How is the digital assessment different from paper?

- SAT will be shorter
- Receive scores faster
- Calculators are allowed on the entire math section
- Results will include resources about local two-year colleges, workforce training programs, and career options.
- Tests will be on a device

### What are the benefits to taking the PSAT & SAT?

- PSAT prepares students for SAT
- Scores can be used to qualify for Dual Credit courses
- Scholarship opportunities
- Connects students with colleges and universities
- Admission into honor colleges or specific college programs

## PSAT

Wednesday, October 9, 2024

### PSAT Registration is REQUIRED

All students choosing to take the PSAT in 10th or 11th grade must register online. Registration will run from August 19 - September 11, 2024.

### Cost for PSAT Testers

- Grade 10 students: \$20
- Grade 10 student on Free/Reduced lunch : \$10
- Grade 11: No Charge

### SAT will be given to all 11th graders

No registration is required for 11th graders for Spring SAT (Registration is required for Fall PSAT.)
