#### *How to Read Literature Like a Professor* by Thomas C. Foster

Read and highlight key elements of chapters 1, 10, 12, 13. You are not required to read the entire book at this time. Look for the essential pieces of information in each of the chapters listed above. When in doubt, look for information that would make it into a summary of that chapter.

#### Novel Selection

Remember that you are to choose ONE book from the list provided. Don't just read the book; form a friendship with it. In the first three weeks of school will be devoted to a more in-depth study of characters, theme, and writing craft. Students will highlight and take notes on those three topics. If you are reading a digital version then you should take notes on each chapter in order to make locating text easier.

Due Date:

The first summative assessment for the novel unit will be **September 4, 2018.**
