

Parent & Family Engagement Survey

Dear Families,

Our district values your feedback! Ross MS is excited to invite you to participate in our Family Survey. We are currently surveying families in order to gain insight into your perception of our school and district effectiveness. To help us learn how to make your child's schooling experience as positive and beneficial as possible, we need your feedback.

The survey shouldn't take more than a few minutes to complete and will be a valuable source of information for us as we work to make improvements in our school and district. Families should take the survey focusing on the experience of their eldest child.

You may complete the survey online between Monday, October 7th and Friday, October 18th using a computer, tablet, or smartphone by visiting the site

We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please don't hesitate to contact Ms. Vela our Head Counselor at 210-397-6375.

Thank you,
Sul Ross Middle School
