**RE: NOTICE OF AWARD
NORTHSIDE ISD – PA INTERCOM SYSTEMS AT HELOTES AND LOCKE HILL ESs
NISD RFCSP #2019-026**

Mr. Schluter,

Please be informed that on February 26, 2019, the Northside Independent School District (NISD) School Board approved the award of the above referenced project to Beckwith Electronic Engineering Company for the sum of One Hundred Sixty-Three Thousand Eight Hundred Eighty-Four Dollars (\$163,884.00). This sum includes a Contingency Allowance of Six Thousand Dollars (\$6,000.00) and a Unit Price Contingency Allowance of Three Thousand Dollars (\$3,000.00).

Please review the Instruction to Offerors in the Project Specifications for delivery requirements for all required performance and payment bonds, evidence of insurance, and Form 1295 and submit within ten (10) calendar days from this notification of acceptance of proposal. Our office has attached the draft of the Owner/Contractor Agreement. This is being forwarded to you for the purpose of obtaining your bonds and insurance. Once this agreement has been finalized, a Notice to Proceed will then be issued.

We look forward to working with you on this project. Should you have any questions or require additional information, please feel free to contact me at (210) 546-0200 or Carlos Rodriguez (210) 397-1253.

Best regards,

Zac Morton PE, LEED® AP
Partner
