#### To Students:

This handbook outlines the policies and procedures pertaining to student activities and responsibilities as set forth by the Board of Trustees of the Northside Independent School District. It is the responsibility of each student to read, understand, and abide by the rules and regulations stated in this handbook.

#### To Parents:

The home is the greatest influence upon the child during the formative years; from these influences, the child develops his/her first habits and obtains most of his/her ideals and attitudes. The influence of a good home environment cannot be duplicated within the classroom. Therefore, it is imperative that the home and school work cooperatively for the maximum development of your child.

Please make every effort to encourage your child to attend school regularly and punctually. Failure is often attributed to irregular attendance, while tardiness tends to develop the wrong habits and attitudes toward life and its responsibilities.

The purpose of this handbook is to supply you and your child with information about Sonia M. Sotomayor High School. Frequent reference to this handbook will acquaint you with the functions of your school. Please feel free to confer with the teachers, counselors, and the administration as necessary.

The cooperation of all stakeholders will result in a more efficient and successful school program.

### To Parents and Students:

Questions regarding interpretations of rules and regulations in this handbook should be directed to the Sonia M. Sotomayor administration.

## Sonia M. Sotomayor High School

Sonia M. Sotomayor High School, Northside ISD's 12th comprehensive high school, opened the fall of 2022.

Sonia M. Sotomayor has been an Associate Justice of the United States Supreme Court since 2009. Sotomayor became the youngest judge in the Southern District and the first Hispanic federal judge in New York State. She became the first Puerto Rican woman to serve as a judge in a U.S. federal court. She was one of seven women among the district's 58 judges.

Sonia M. Sotomayor High School, which will eventually serve about 3,000 students, was built to relieve overcrowding at Harlan and O'Connor high schools.

## **SOTOMAYOR ALMA MATER**

Sotomayor we are true to thee
Strength, pride, and unity will lead to victory.
Close to our heart, reigns the silver, black, and white
Under the heritage tree, our memories we hold tight.
As embers blaze forever, loyal we shall stay
Fiercely committed to excellence, we say.

## "CODE FOR THE GOOD CITIZEN OF THE AMERICAN HIGH SCHOOL"

I realize that, as a student in an American high school, I owe an obligation to parents or relatives, whose sacrifices have given me the foundation upon which I am building, to the school which offers me an opportunity to develop my natural powers, and to the community which makes my educational advantages possible, to my country which gives me liberty under law, to my own future as an individual and as a citizen.

As a token of my determination to honorably discharge this obligation I promise:

- That I will use the facilities offered by the classroom to enlarge and broaden my interests, to increase my knowledge, to bring me closer to truth, and to cultivate habits of industry and sound thinking.
- That I will broaden my sympathies and practice the arts of sociability, true friendliness and helpfulness in my home, in the school and in all my association; avoiding snobbishness in my own conduct and condemning it in others.
- That I will develop habits of reading and conversing which will broaden my culture and enable me to better understand the problems of community, state and union.
- That I will carry on discussion in and out of the classroom, not to overcome opponents and gratify my pride, but that I may grow in knowledge and wisdom.
- That I will avoid every form of cheating or dishonesty and will undertake to discourage all dishonorable practices.
- That I will obey every rule or law of school, city, state, and nation, reserving the right to criticize rules and laws constructively, but respecting them so long as they prevail.

- That I will use my powers and influence for the common good.
- That I will pursue happiness myself and strive to establish conditions under which happiness and opportunity may be hopefully pursued by everyone in my home, my school, my community, my country and the world.

-Adopted by the National Association of Student Councils

# SCHOOL STAFF

# Principal

The Principal is responsible to the Superintendent of Schools for the proper administration of Sonia M. Sotomayor High School. It is her duty to organize, supervise, and administer all of the affairs of the school as they affect students, teachers, and patrons. She will be glad to help you with any of your concerns.

## **Associate Principal**

The Associate Principal works directly with the principal in the administration and organization of the school. She assumes the responsibility of the Principal in her absence.

#### Academic Dean

The Academic Dean works with the principal in the administration/supervision of the academic and instructional programs of the school. She works closely with the counseling staff to ensure appropriate academic placement of students.

## **Assistant Principals**

The Assistant Principals work to coordinate and supervise the everyday activities of the student body. They handle the student issues with regard to attendance and student discipline. They also work in the area of teacher services and assist the Principal in the development of the school curriculum and the evaluation of the school instructional program.

## Counselors

The Counselors work with students in discussing school programs, scholarship applications, occupational planning, course choices, and social/emotional concerns. The function of the Counselor is advisory, not disciplinary, and all information is confidential. A record of a student's scholastic achievement, interests, standardized tests and personal information is maintained in the counselor's office. This information enables the Counselors to better assist students while in high school and to help them plan for college or vocational careers.

## **Teachers**

Teachers are specialists in the field in which they teach and are eager to facilitate student learning. They are the classroom leaders and are charged with the responsibility of supervising and directing all students in the pursuit of their education. Each teacher is assigned a conference period as part of his/her teaching assignment. This period is set aside to give the teacher opportunity for carrying out plans for both classroom work and individual guidance with students. Another purpose of this period is to provide a teacher with a scheduled time to conference with parents. To make an appointment, parents should e-mail or telephone the teacher.

# Secretaries

The secretarial staff is available to help with the day-to-day operations of the school.

## Instructional Assistants (IA's)

The primary responsibility of IA's is to collaborate with teachers to ensure student academic and behavioral success.

# Custodians

The custodial staff is directed by a plant manager who assigns duties for custodians during both the day and night shifts. They are charged with the responsibility of maintaining a safe, clean, and inviting school. They also have the duty of keeping all systems and equipment operational.

# Child Nutrition (Cafeteria) Personnel

Child Nutrition personnel provide well-balanced, nutritious meals for the students and staff at a reasonable cost. The cafeteria is managed by an experienced person who is trained in nutrition and management.

## **Campus Police**

The NISD police officers work with the administration, staff, students, and community to ensure a safe and secure environment for learning.

#### **ATTENDANCE**

Parents are charged with the responsibility of ensuring that their child comes to school and attends all scheduled classes. Students are expected to attend school and be on time to their classes—the first rule of success for a student is to arrive on time. Attendance is one of the principal's top priorities because students cannot learn in absentia, and the teachers cannot teach empty seats.

State law and school policy require attendance every day that school is in session. Illness, doctor/clinic visits, a death in the family, court appearances, religious holidays, and school-sponsored activities are the only excusable reasons for nonattendance. The legitimacy of absences for other reasons will be determined by the principal or her designee.

## **Absences**

State of Texas Absence Policy:

Semester course: an 18-week class that meets every day. Semester 1 only 7 absences are allowed by state law. Semester 2 only 10 absences are allowed by state law. Full year course: 36-week course that meets every day. Only 17 absences are allowed by state law.

By state law (Texas Education Code 25.092) a student may not be given credit for a class unless the student is in attendance at least 90% of the days the class meets. Sonia M. Sotomayor HS operates on a traditional 8-period day. To fulfill the credit for class attendance requirement, a student must not miss more than 10% of the total number of times the class meets. A student cannot exceed 7 (semester 1), 10 (semester 2), or 17 (full year long) absences during the academic school year or credit will not be earned (this includes excused and unexcused absences). A student may have an opportunity to participate in Attendance Recovery to make up the time missed in regular class to recover the withheld credit. Absences accrued as a result of truancy are not eligible for Attendance Recovery. A waiver (for extenuating circumstances) may be granted by the campus attendance committee.

# Excused Absences (count towards state allowed number of absences)

- a. Parent/quardian notes for less than four consecutive sick days
- b. Required Court appearances (other than traffic court)
- c. Doctor, dentist, clinic, or hospital visit
- d. Funeral for immediate family members
- e. Administration approved absences

## Unexcused Absences (count towards state allowed number of absences)

- a. Car trouble
- b. Trips with parents
- c. Driving examinations
- d. Baby-sitting
- e. Missed bus
- f. Overslept
- g. Job interviews/health tests, etc.
- h. Any other category that does not meet state or district guidelines

# **Extended Absences**

Parents are asked to contact campus administration if a student is expected to be absent for an extended period of time.

# Readmission Procedures Following Absences

- 1. On the day following an all-day absence, the student will report to the Attendance Office and present a written excuse before school. The note will be kept in a file under the student's name; however, if a copy is requested, one will be made. The attendance secretary will be charged with the duty of updating the student's attendance. Parent notes will only be accepted up to 3 days after the absence. A note furnished by a doctor or court to excuse an absence must be provided within 3 days. Any note provided later than 3 days must be approved by an administrator.
- 2. If a student fails to bring a note, the absence will be left unexcused. This information will be given to the campus administration for processing.
- 3. A student attending only part of the school day due to appointments must sign in or out of school through the Attendance Office. Parents must come to the Attendance Office in person to sign a student out. If a student arrives after the school day starts, and provides a note from a parent, or other appropriate documentation, the student will be sent to class with a pass from the Attendance Office. When the student arrives at school late without any documentation, the student's absence will be considered unexcused. The unexcused absence will be coded as either AT (absent by tardy) or UA (for each class the student is absent the entire period). It is advised that students inform their teachers about any planned absences prior to the absence.

4. Students who arrives after fifteen (15) minutes to any class will be counted AT (absent by tardy), as mentioned above. This is an unexcused absence, and students will need a pass from the Attendance Office or APO to be allowed into class. Likewise, any student who reports to school, after missing part of the school day, must check in at the Attendance Office. No student is allowed to miss one or more period(s) of instruction, and then arrive during the passing period and subsequently enter the next period on time. Students missing one or more class periods, prior to arriving at school, must report to the Attendance Office before going to any other classes.

Note: If there is a question concerning the validity of any note, the student will be referred to an administrator for verification.

# **Third Party Notes**

Third party notes are signed and dated notes from a doctor, dentist, hospital, clinic, court, or funeral home. These must include the days the student was absent and a phone number.

## **Waiver for Excessive Absences**

To regain credit due to excessive absences for extenuating circumstances (illness etc.), students may participate in Attendance Recovery and/or submit a request for a waiver of the absences. Waivers are only approved by the Campus Attendance Committee for extenuating circumstances outside of student's control. Contact a campus administration concerning waivers and their requirements.

#### Student Information for Excessive Absence Waivers

- 1. A student with any documented truancy can be denied a waiver in all courses.
- 2. A letter must be written to the Attendance Committee requesting an excessive absence waiver and explaining the extenuating circumstances regarding the absences. The letter along with any supporting documentation should be submitted to the Attendance Office by the appropriate deadline.
- 3. A waiver will only be applied if a student has exceeded their allowable absences and will lose credit in their course(s) because they have gone over the days allowed by law.

## **Campus Attendance Committee**

The Campus Attendance Committee has designated Attendance Recovery as a way to make up for excessive absences for credit purposes, and allows students to regain credit for classes where they may have exceeded the number of absences allowed. Each hour (equivalent to a class period) of Attendance Recovery recovers one absence in one designated class. This committee also meets on a regular basis to review/approve/deny attendance waiver applications.

# **Attendance Recovery**

(Does not change State Attendance Compulsory Law Requirements)

Any time during the school year that a student accumulates over the state allowed number of absences, he/she may make up the hours by attending Attendance Recovery and completing assignments for the classes missed during regular school time. If a student earned a passing grade during the semester/year, the participation in Attendance Recovery will give the student the opportunity to earn credit for his/her passing grade, but it will not affect a failing grade. Absences accrued as a result of truancy are not eligible for Attendance Recovery. The campus will utilize schoology to disseminate information regarding the Attendance Recovery program.

Note: The Attendance Recovery program is for credit earning purposes, not midterm/final exam exemption status.

## Arrival at School/Check-Out Procedures

The school day will be from 9:00 a.m. until 4:20 p.m. Once a student arrives on school property, he/she must remain for the entire day unless they properly sign out through the Attendance Office. This procedure is done by one of the following methods:

- Students must report to the Attendance Office and follow sign out procedures prior to leaving campus.
- 2. Students must bring a signed note from parent/guardian with a phone number for verification, or parent/guardian must come into the building to sign-out the student in the Attendance Office. Parent/guardian must be listed on the student's records and provide a valid photo ID. Students MUST wait to be called upon to be released from class.
- 3. Students who become ill during the day must be excused by the Attendance Office, by way of the nurse/health clinic.
- 4. Student checkouts will not be processed after 4:05 p.m.

## **Health Appointment During the School Day**

A student who has a documented appointment with a healthcare professional during regular school hours will be considered present all day for every class if the student is in attendance a portion of the day (day of the appointment) or returns to school on the same day of the appointment <u>and</u> provides the health excuse note to the Attendance Office. The parent/guardian must sign the student in and out at the Attendance Office.

# **Tardies**

Punctuality to all classes is essential in maintaining an effective school environment as well as developing good work habits. Students are required by law to be in class at the designated times. Students who are late are not only violating the law but disrupting the learning environment for other students. Students who are consistently late to class will be referred to the assistant principal's office for appropriate disciplinary action, including the loss of parking permits and off-campus lunch privileges. Students arriving to class after fifteen (15) minutes late will be considered absent by tardy (AT) and will be referred to the assistant principal's office for truancy.

## **Tardy Procedure**

1. After the Tardy Bell rings, students not in their classes will be issued a tardy.

- 2. For every 5th tardy accumulated per class during a marking period, the student will be issued consequences.
- 3. Consequences will be issued accordingly:
  - 1-3 Student Warning / Teacher Conference
  - 4-5 Parent Contact by Teacher
  - 6 + Consequences determined by Administration, up to and including Overnight Suspension
  - \*\*\*\*All consequences are subject to administrative discretion
- 4. Tardy accumulation will start over every marking period.
- 5. Arrival to class over fifteen (15) minutes late will result in an absence by tardy (AT) and counts towards the state allotted attendance.

# Senior Skip Day

Teachers, students, and parents should be aware that there is no such thing as the mythical "Senior Skip Day" or any other student skip day. These absences are unexcused and will be dealt with accordingly. School holidays are published in this handbook.

# Off Campus Lunch (Juniors/Seniors ONLY)

Off Campus Lunch provides juniors/seniors the opportunity to leave campus for lunch. Juniors/Seniors must submit an application signed by their parent/guardian to the Assistant Principal's Office for approval. After validation/approval, the student will receive an Off-Campus Lunch sticker that will be affixed to the student's Sotomayor ID card. Questions regarding Off Campus Lunch should be directed to an Administrator in the Assistant Principal's office.

The following rules apply to avoid forfeiture of this privilege:

- Eligibility is based on good standing for the following: academics, attendance, and behavior.
- Students must re-qualify each nine weeks.
- Students are not allowed to visit other campuses.
- Students are required to present a valid Sotomayor student ID with a valid lunch sticker to an administrator/designee when leaving campus for lunch, each day. If a student is picked up for off campus lunch, the individual must be an approved adult/student and sign the student out in the Attendance Office.
- Being tardy from lunch may result in suspension of Off Campus Lunch privileges.
- Students are not allowed to loiter in the parking lots, including sitting in a vehicle.
- Students may only transport other students with valid Sotomayor student ID and Off Campus Lunch stickers. Failure to comply may result in suspension of driving privileges and/or Off Campus Lunch privileges for driver and all passengers.
- Students who lose their ID must purchase a new ID card and obtain a new lunch sticker from the Assistant Principal's Office. Replacement fee: \$5.00.
- Students who become ill while off campus must return to campus and sign-out or have a parent come to campus and sign them out. NO PHONE CALLS WILL BE ACCEPTED
- Off Campus Lunch privileges may be revoked at the discretion of school Administration.

## **VOE Forms (In Attendance Office)**

Students must have a Verification of Enrollment form if taking Driver's Education or if renewing a driver's license (under age 18). See the Attendance Office before school, during your lunch, or after school for details and allow a minimum of 48 hours for processing. Students seeking a Verification of Enrollment form must be in good standing with grades and attendance from the semester prior in order to be issued a VOE, per NISD and TEA policy.

## Withdrawals

When it becomes necessary for a student to withdraw from school, the student's parent or guardian should report to the Attendance Office to initiate the withdrawal process. All pertinent information that relates to the new educational setting will be recorded on a Withdrawal Documentation form, which then must be signed by the student's parent or guardian. The student will remove all articles from his/her assigned locker and return all textbooks, library books, technology device(s), and other items belonging to Sonia M. Sotomayor High School. The student may then attend his/her remaining scheduled classes that day or return home. Failure to return textbooks, library books, turn in uniforms, technology, or turn in money owed will delay the student's transcript being sent to other schools, jobs, or military service.

# Change in Name, Home Phone Number, or Address

The Attendance Office should be informed of any change in the student's name, phone, number or address. This information and notification of such change(s) should be given to the secretary in the Attendance Office. Proof of Address, such as a utility bill, must be submitted to the Attendance Office in order to change the student's address.

# **GENERAL INFORMATION**

## Dances

The dress for school dances will be announced prior to the affair and in no case will a student be permitted to attend a dance in improper dress. Students who are under suspension from school, or those students who have been expelled from school, will not be allowed to attend any school function.

School dances are for Sonia M. Sotomayor High School students only and a Sotomayor I.D. is required. Guests who do not attend Sonia M. Sotomayor must be pre-approved by administration. The NISD Student Code of Conduct will be enforced at all on campus and off campus/district events.

#### **Deliveries**

Deliveries of any kind will not be accepted on the campus. This includes, but is not limited to food, flowers, balloons, etc. These and any other type of delivery is a safety and security concern and will not be permitted on campus.

# Detention

Students may be assigned to detention hall. Detention hall is used for academic and/or disciplinary purposes. Failure to attend a required detention will result in notification of the student's parents and further disciplinary action. Detention hall attendance is the student's responsibility. If a student is absent on detention day, the student must report to the Assistant Principal's office to reschedule it.

## **Evacuation and Lockdown Drills**

In order to ensure the safety of the students, it will be necessary from time to time to have fire or evacuation drills.

Instructions will be found in each classroom and will be reviewed by the teacher. Students are to follow these instructions as carefully and as quickly as possible in the event of a drill or an emergency.

# **Financial Obligations**

In order for a senior to participate in senior-related activities including but not limited to prom, invitation distribution, cap and gown distribution, graduation rehearsal, and graduation, the student must be in financially good standing with the campus and the school district. Seniors must clear all debts and obligations prior to these events. Debts and obligations could occur from clubs, classes, or organizations; spirit, fine arts, and athletic organization supplies and activities; uniforms; textbooks; fundraising events; and any other financial debt or obligation from school owned items checked out to the student. Restitution will also be considered an obligation. Furthermore, all other students must be in good standing.

#### Graduation

The graduation ceremony is a school function, and being such is part of the school year. The school year for a senior ends with the completion of the graduation ceremony. Therefore, a graduating senior who violates the Student Code of Conduct, and as a result is assigned to an alternative placement for a period of time that extends through the date of graduation, may not be permitted to participate in the graduation ceremony.

Graduation is a solemn and dignified ceremony. Students should dress as if they are preparing to interview for an important job. Facial piercing (other than earrings) will not be tolerated. Students are expected to observe proper etiquette during the entire graduation ceremony. While they are on the stage and receiving diplomas, students must keep their hands at their sides at all times. The only time hands may be lifted is when students are receiving diplomas from school board members and shaking hands with the superintendent. Students who raise their hands above their waists for any reasons other than receiving the diplomas or shaking hands may be removed from the graduation ceremony. Students demonstrating any other behaviors that serve to lessen the dignity of the event may be removed from the graduation ceremony. All students are expected to demonstrate a high degree of maturity and behave appropriately. Don't cause embarrassment to yourselves, your parents, and your fellow classmates by being removed from this very special event.

# **Hall Passes**

If a student must leave an assigned class, an official hall pass must be filled out and signed by a member of the faculty or staff. Students in the halls without a pass are subject to disciplinary action.

## Handbills

No student or group may distribute or post handbills for any activity or event unless it is approved by the group's sponsor and the administration. Generally, only Northside sponsored activities will be approved.

# **Identification Badges**

All students are required to have a Sonia M. Sotomayor I.D. badge whenever they are on the campus. Students will be required to wear their student badge and have it easily visible at all times. At the request of any school employee, the student is required to produce the badge for identification purposes. If a student loses the ID, the student must purchase a new ID for \$5.00.

# In-School Suspension (ISS)

In-School Suspension will be used as a disciplinary measure by the Assistant Principal's office to help students assume more responsibility for their actions. Students will be expected to successfully complete the day and all assigned classwork and demonstrate their ability to follow rules. Failure to display appropriate behavior in ISS may result in an out-of-school suspension assignment and parent conference.

## Internet Use

The STUDENT AND PARENT AGREEMENT FOR ACCEPTABLE USE OF THE ELECTRONIC COMMUNICATIONS SYSTEM form must be filled out and signed before a student can have

access to the internet. Students are subject to disciplinary action if inappropriate use of the internet occurs while on campus or off campus using a district issued device.

## Lockers

Lockers will be issued upon request and should be used for storing books and personal items. Responsibility for lost or stolen items is not assumed by the school or the administration. Every locker left unlocked will be considered out of use and its contents removed. Sonia M. Sotomayor High School has sufficient lockers (one for every student); therefore, lockers should not be shared. Report locker problems to the Assistant Principal's Office. The student is responsible for keeping a record of his/her locker number and combination for future reference. Each student is responsible for removing all belongings from his/her locker prior to the end of the school year. Any items left in the locker will be considered abandoned property and will be donated to charity. DO NOT store valuable items in your locker.

LOCKERS SHOULD ALWAYS BE LOCKED WHEN NOT IN USE. DO NOT GIVE YOUR COMBINATION TO ANYONE ELSE. DO NOT LEAVE MONEY OR VALUABLES IN YOUR LOCKER. DO NOT SHARE LOCKERS!

## Lost and Found

If you find anything of value on school grounds or in the building, turn it into the Assistant Principal's Office. An attempt will be made to find the rightful owner. If you lose anything, check with lost and found in the Assistant Principal's Office.

## Nuisance Items

Students are not permitted to wear headphones while in the hallway, classrooms or the library; for safety purposes, the only type of headphones that may be used at school are the small, ear-bud type—no noise-reducing and/or headphones that cover the entire ear.

Students are not permitted to have special occasion/celebration items in the hallways or classrooms. Such items are subject to confiscation by school officials. (See Section C)

A nuisance item may be anything that creates a distraction or a safety concern, or in some way disrupts the instructional environment. The designation of an item as a "nuisance" is at the discretion of the principal; these items are not permitted on campus.

## Parking Vehicles On Campus

Students may drive their vehicle to school provided they have a current/valid driver's license, have completed the parking permit form, have proof of insurance to include being listed as a driver, and have purchased a parking permit from the Assistant Principal's office. After approval, a parking permit will be issued and affixed to the windshield. Parking is on a first come basis. This permit grants parking privileges for the student lot only. Students must park in designated student parking areas. If you change vehicles, please report the change to the Assistant Principal's office in order to maintain accurate records and to purchase a new parking permit. Any vehicle in the parking lot without a parking permit or improperly parked will be towed at the owner's expense. The policy on parking is subject to change if increased security measures become necessary. Parking stickers change each year. Previous stickers are invalid. No student is to be in the parking lot or adjacent areas during school hours, including the lunch periods, without permission from the administrative office. When arriving at school, secure your vehicle and proceed into the building. Vehicle violations (moving/parked) may result in the removal of parking privileges. Once a parking permit/privilege has been revoked, administrative discretion will determine if or when the privilege will be reinstated. Parking information and parking permits may be obtained in the Assistant Principal's office.

## **Parking and Traffic Regulations**

# 1.RESPONSIBILITIES

- A. BY ENTERING CAMPUS, THE PERSON IN CHARGE OF ANY VEHICLE CONSENTS TO A SEARCH OF THE ENTIRE VEHICLE AND ITS CONTENTS BY SCHOOL OFFICIALS AND/OR POLICE OFFICERS.
- B. All students, faculty and staff members who park their vehicles on the campus must secure and display a parking permit. THE PURCHASE OF A PARKING PERMIT DOES NOT GUARANTEE A PARKING SPACE. However, it does authorize parking if the space is available.
- C. Strict adherence to rules pertaining to speed and parking will be required to protect pedestrians and vehicles and to provide access for firefighting equipment and ambulances.
- D. Texas laws governing motor vehicle operation are effective on all campus locations.
- E. All accidents on campus should be reported to the campus police officer.

## 2.PARKING REGULATIONS

- A. Vehicles must be properly parked in designated areas.
