- MAP windows open for testing for K-5th grades (Reading and Math)
- Sept. 17th Cable Attendance Forum
- Sept. 26th-Cable Heritage Night @ 4:30 to 6:00

## TRAFFIC

Thank you for your continued support and understanding regarding our after school dismissal process. We utilize idismiss to streamline our procedures and have implemented car markers to efficiently move parents up in the line, allowing us to get more children into their cars quickly.

Our teachers and staff are currently working in temperatures exceeding 100 degrees, so we appreciate everyone's patience. We ask that parents refrain from stopping directly at the area where their child exits, as this can cause congestion with other cars entering the drive-through area. With over 300 families being picked up through our main entrance, maintaining a smooth traffic flow is essential. Our dismissal occurs daily from 3:00 to 3:13 PM. On average, about 30 families are late each day, but we continue to move traffic forward to ensure we can see the tag numbers and safely get children into their vehicles. Safety is our priority.

Thank you for your cooperation in helping us make this process as efficient as possible.
