WELCOME

Welcome to Texan Country! We at Pat Neff Middle School have high expectations of you! We expect you to be proud of your school, to be respectful of the staff and your fellow classmates, and to represent your school with class and dignity. Most of all, we expect you to learn the necessary skills needed for you to be successful in your future. You will learn that by exhibiting a positive attitude and by putting forth effort, you will be rewarded with good grades and good citizenship. These outcomes will make your years at Pat Neff enjoyable and productive.

PAT MORRIS NEFF

Pat M. Neff Middle School is in the Northside Independent School District and proudly bears the name of a former governor of Texas, Pat Morris Neff. Born near Waco on November 26, 1871, Governor Neff was a graduate of Baylor University and the University of Texas Law School. He entered the practice of law in Waco, and became prosecuting attorney for McLennan County. In 1903-04, while serving in the State Legislature, Neff became the youngest Speaker of the House ever to serve in Texas.

Prominent in educational circles, to the extent of being offered the presidency of the University of Texas, Neff declined and entered instead the campaign for governor. His first term of office began in January of 1921, during the post World War I depression. He was re-elected for his second term and served until January 1925. Noteworthy accomplishments during these years included the establishment of a system of state parks, attention to conservation and industrial development, as well as the establishment of three colleges: a teacher's college at Nacogdoches, Texas A & I, and Texas Tech in Lubbock.

Governor Neff was of service to his state in a number of ways after his term of office ended. He was a member of the National Railroad Mediation Board, Chairman of the Texas Railroad Commission, and president of Baylor University until his death in January, 1952.

FOREWORD

This Student Handbook has been prepared for your information and guidance to help you become accustomed to the spirit, ideals and objectives of Pat Neff Middle School.

Pat Neff Middle School is dedicated to the purpose of training minds and building skills that will be useful and required, now and in the future. Therefore, it is necessary to have certain rules to insure each individual the opportunity to benefit from the program. This handbook outlines some of the basic policies around which your school functions. Frequent references will keep you informed of guidelines and allow you to take full advantage of all school offerings.

Please feel free to confer with teachers and the administration when you deem it necessary. The cooperation of school patrons, based upon the knowledge of the school, will result in a more efficient and successful school program. Conferences may be scheduled by calling the school at the following, (210) 397-4100.

PEOPLE WHO CAN HELP YOU

Principal

The Principal is responsible to the Superintendent of Schools for proper administration of Pat Neff Middle School. It is her duty to organize, supervise, and administer all of the affairs of the school as they affect students, teachers, and patrons. She will be glad to help you with any of your problems.

Vice Principal

The Vice Principal works directly with the Principal in the administration, organization and supervision of the school. She handles the day by day operation of the school and assumes the responsibility of the Principal in her absence.

Assistant Principal

The Assistant Principal assists the Principal and Vice Principal in the organization, administration, and supervision of the school. During the absence of the Principal and the Vice Principal, the Assistant Principal assumes the responsibility of the operation of the school.

Academic Dean

The Academic Dean works with teachers, students, parents and other staff to improve student performance at Pat Neff. She/He works closely with the principal and the counseling department in the area of student testing and oversees the instructional program of our campus.

Administrative Interns

Teachers who have completed their Mid-management Certification requirements and have received their Administrative Certification are sometimes asked to assist with discipline referrals in the Vice Principal's office. These professionals are approved representatives of the Neff Administration Team.

Counselors

A guidance counselor will be with you for three years. Your counselor will be happy to assist you with problems concerning both school and your personal life. If you want an appointment with your counselor, this can be arranged with the secretary in the guidance office before and after school, or during a study period. If your counselor cannot see you the same day, she will make an appointment for the next day. Conferences with students receive first consideration of the counselor's time.

The function of the counselor is advisory, not disciplinary, and all information is confidential.

Teachers

Your teachers are specialists in the field in which they teach and are eager to help you get the most out of your classes. The teachers are charged with the responsibility of carrying out the rules and regulations of the Board of Education and additional policies set up by the administration. Your teachers will be on duty each school day at 7:50 a.m. and will remain after classes from 3:40 to 3:55 p.m. for the purpose of helping any student desiring to report at this time.

Your teachers are the classroom leaders with the responsibility of supervising and directing all students in the pursuit of their education.

Librarian

The Librarian will assist you in the orientation and use of the library. The Librarian is available before school, during the day and after school.

GENERAL INFORMATION

Attendance

Parents are charged with the responsibility of ensuring their child comes to school and attends all classes. Students are expected to attend school and be on time to their classes. State law and school policy requires attendance every day that school is in session. Illness, doctor/clinic visits, death in the family, court appearances, religious holidays, and school-sponsored activities are the only excusable reasons for Nonattendance. Absences for reasons other than those stated above will be determined excused or unexcused by the Principal or her designee.

The first rule of success for a student is to "show up" on time. Attendance is one of the Principal's top priorities in managing the school's population. Students cannot learn if they are not present in school; teachers cannot teach empty seats.

Attendance Procedures

1. Notes must be turned in to the Attendance Office. The note must include the following: a) date of note, b) name, id#, grade level of child, c) date(s) of absence(s), d) specific reason for absence(s), e) parent signature, and f) telephone number(s) where parent can be reached. *Third party notes are accepted (i.e., doctor, dental, funeral, family court) and need to meet the same criteria as listed above.
2. Students without a note will be issued an unexcused absence. The student must bring a note within three school days to the attendance secretary for the record to be amended.

NOTE: Please refer to the District policy on Attendance in Section D of this handbook.

Athletics

Athletics at Neff are extra-curricular activities and most practices are scheduled before or after school. We have team sports such as football, basketball, volleyball, track, tennis and golf for 7th and 8th graders. Athletics at Neff are for students who have indicated a desire to contribute time and energy for the good of themselves, the team, and their school. We recognize this contribution in various ways. We expect our athletes to be good representatives of Neff wherever they may go. There are no special privileges for athletes and none are expected. The athlete is assuring for himself or herself a more well-balanced education through a variety of interests. We welcome student participation in our athletic program, and we hope that it will result in victorious competition.

Students must be passing all their classes to participate in athletic competition. (See Section D for athletics eligibility)

Academic Day

Classes begin each morning at 8:30am and end each afternoon at 3:40pm. Students are not supervised until 7:45am. Students must report to the cafeteria when arriving between 7:30am-7:45am and to their designated grade level area when arriving between 7:45am-8:20am if the student is not eating breakfast. Students are not permitted to loiter at the front of the building/courtyard before or after school.

During the school day, students should make sure they follow their individual class schedule and report to all classes on time.

Backpacks

Any appropriate backpack is acceptable.

Band, Choir, Orchestra, Mariachi

Participation in these performing arts can be a very rewarding experience. Students of all grade levels and abilities can participate. Students are expected to attend all required concerts as a part of their grade; they are required to purchase or lease instruments except for the larger instruments that are owned by the school. There is a cleaning/repair fee for school owned instruments. Students are expected to practice DAILY and will be required to participate in morning and/or after school practices, tests, etc.

2017-2018 BELL SCHEDULE (see attached)

Birthdays

Even though birthdays are wonderful times for children, items such as balloons, birthday bouquets, cakes, and cupcakes are not allowed. Unfortunately, the distraction associated with these items may negatively affect the educational atmosphere of school.

Cell phones/ Personal Electronic Devices/BYOD

Personal Electronic Devices (PED's) must be turned off and not visible during the school day unless you are in a school designated 'electronic device zone' or using the device for 'teacher approved' instructional purposes. Students who violate this policy will be subject to escalating consequences which might include confiscation of the device and require a parent to pick up the device. Students should follow specific guidelines regarding PED's in Section B and Section E of the Student-Parent Handbook which include the Acceptable Use of District's Technology Resources.

Clubs

Many clubs are offered for student involvement and participation. Newly-formed clubs must have a Neff teacher as a sponsor, and approval must be solicited from the campus principal. The sponsor is required to attend each meeting, and meetings are usually held before or after school hours. Meeting times and locations are announced during announcements. A list of all clubs will be distributed to students during the first six weeks of school.

Coming to School Late

A student coming to school late must report to the Attendance Office with a signed note from parent or guardian stating the reason for the tardiness, before going to the classroom. This rule applies even when the

student arrives between classes.

Corridor Passes

Students out of any class must have a corridor pass signed by a faculty or staff member. Students walking around the campus without a pass will be subject to disciplinary action.

Discipline Management

Consequences for misbehavior are assessed after investigation and are determined by the incident and the discipline history of the student. Every case is judged on its own merit. Violations of law are investigated, and citations/tickets may be issued when violations of law have occurred. For minor infractions, a range of techniques are applicable: warning/counseling, peer mediation, detention (3:45-5:00 pm, Monday – Thursday), lunch dhall, in-school suspension (ISS), reverse suspension, out of school suspension and campus community service. All serious policy violations will result in a referral to Pupil Personnel for a hearing. Please refer to section "C" of this handbook for additional information.

Emergency Information

Updated address and phone numbers must be accurate for emergency purposes. Please notify the attendance office immediately if your information changes.

Leaving Campus

Due to the amount of traffic on 410/Evers, students are not to leave campus to go to the convenience stores or restaurants located nearby. Not only is this a safety issue, but it could also result in disciplinary action.

Library/Media Center

Each campus library supports the curriculum and provides a wide variety of materials suitable to the interest and abilities of students in their pursuit of knowledge and love of reading. Information literacy skills for life-long learning are taught, practiced, and applied. Home access to the online card catalog is available at <http://webcat.nisd.net/>. In order for each school to maintain a high quality collection, students learn responsibility in caring for library materials. If library materials are lost or damaged the student is expected to pay for them.

In order to administer the Library/Media Center efficiently, a set of regulations has been formulated:

1. All materials taken from the library must be charged to the student's name.
2. The student is responsible for the prompt return of library books in good condition.
3. Reference+ books circulate overnight only.
4. Magazines are to be read in the library.
5. Library hours are 7:45 a.m. to 3:45 p.m.

Lockers

Pat Neff Middle School does not use lockers. However, students will be assigned a locker in the gym for use during their PE class and students must provide their own lock. Students should not share lockers or give their combinations to anyone.

Lunch Room Procedures

All students will enter the cafeteria in an orderly manner and follow the appropriate cafeteria rules. Students must raise their hand for permission to leave their assigned seat and duty teachers will dismiss students. Students may not leave the cafeteria before permission is granted. Visitors must sign in and receive a visitor's sticker before coming into the cafeteria. Food and drink items brought in from an outside vendor/source may not be shared with other students.

Make-Up Assignments

When students miss school because of absences or school-sponsored activities, the responsibility for make-up work rests completely with the student. Office Hours and Procedures

Office hours are from 7:45 a.m. to 4:15 p.m. daily. Students may enter the office each morning at 7:45 a.m. and are asked to report to a secretary for assistance. Due to the large number of requests by students to use the office telephone, ONLY emergency calls can be placed from the office.

Northside ISD is proud to present Parent Connection, another method of increasing collaboration and communication between teachers and parents. If during office the average falls below (80), the officer or representative is placed on probation for one six week period. If the grades are still not brought up to standards, the officer or representative is automatically dropped from the Student Council. The representative's position is filled by the alternate. An officer's vacancy will be filled by an election from within the Student Council. Only one N in conduct in any six-week period is permitted. No U's are permitted during the term of Office. Officers and representatives guilty of misconduct are subject to removal from the Council after an investigation of the nature of the offense and the number of offenses.

Detention hall students must be picked up at 5:00 p.m. Please coordinate pick-up times with your student to avoid unnecessary waiting after hours.

WARNING: Consistently failing to pick up your student in a timely manner will jeopardize his/her participation in future activities and can result in the student being issued a Criminal Trespassing Warning (CTW)

Textbooks

Each student may be issued available textbooks, upon parent request. Once the textbooks are issued to the student, the student assumes all responsibility for any loss or damage to the textbooks. Students, DO NOT LOAN your textbooks to other students or leave them on campus; this is your home set and you are responsible for them.

Totally Texan

Unexcused Tardy

Students should be in their classrooms when the tardy (second) bell rings. Unexcused tardy accumulations in any one class during a six week's grading period will result in the student being referred to the office for -disciplinary action.

Visitors

All Parents and Visitors are required to register in the Administrative Office with the Principal's receptionist and indicate the reason for visiting the campus. They are also required to sign-out prior to leaving the campus. Upon sign-in, all Parents and Visitors should receive a Visitor's Pass.

Withdrawal from School

Parents or guardians wishing to withdraw a student from school during the year should initiate this request in person through the Grade Reporting/Attendance Secretary. A withdrawal document will be taken to each of the student's teachers, the librarian, the cafeteria manager, the nurse, and Assistant Principal's secretary with any textbooks that were issued to the student. Each teacher will list the grade for that particular six weeks period up to the time of withdrawal. The librarian will indicate that the student's library record is clear. In addition, before withdrawal is completed, all other records must be clear.

When all of the necessary information has been obtained, the student should return the withdrawal document to the Grade Reporting/Attendance Secretary for an administrator's signature. One copy will be given to the student, and the other will be retained by the school.

NOTE

The Administration of Pat Neff Middle School reserves the right to add to or change campus policies at any time.
