WELCOME

This Student Handbook has been prepared for your information and guidance. From it you will better understand the spirit, ideals, and objectives of Sul Ross. It is hoped that you will keep this book as a source of accurate and ready information. In it you will find the answers to many of your questions.

Sul Ross Middle School is a community in which all students are citizens. To live together in the school community so that everyone may receive the greatest benefit from their school citizenship, it is necessary that certain rules be understood by all. When students accept the privileges of citizenship, they also accept the obligations of following rules and directions. You will be expected to observe all rules and regulations listed in your handbook and all other administrative directives.

During your years at Sul Ross it will be our goal to help you develop your interests, talents, and capacities so that your success and happiness in the next stage of your school life—high school—will be assured. You will have many opportunities to explore and to analyze your own abilities and interests. Your counselor and teachers are anxious to help in this process.

The time you spend in this school will prove to be happy and exciting if you will follow a few simple suggestions:

1. Know your capabilities and always present the best quality of work that you can achieve.
2. Take full advantage of every educational opportunity.
3. Learn to budget your time. Allow plenty of time for study as needed; play hard when it is appropriate and possible; save time in your schedule to follow some wholesome interests, such as leisure reading and hobbies, and to develop your individual talents.
4. Take an active part in school life according to your interests and abilities. This is one way you can make valuable friendships, develop your social personality, and become a well-rounded citizen.
5. Be responsible for your attitude, for your behavior, for your educational attainment, and for the organization and care of your personal belongings and materials. Be on time and prepared for class and follow the classroom behavior expectations.

Following these suggestions can help you be successful in school and in later life. May you have a happy and profitable experience here at Sul Ross Middle School.

Sincerely,
Faustino Ortega
Principal

LAWRENCE SULLIVAN ROSS

Sul Ross Middle School was named for Lawrence Sullivan Ross, the eighteenth governor of Texas. Ross was born in Ohio in 1838, and his father moved the family to Texas a year later. After attending such schools as the frontier afforded, he entered Florence Wesleyan University in Alabama from which he graduated in 1859. Shortly after his graduation, “Sul,” as he was popularly known throughout his life, was commissioned a captain in the Texas Rangers by Governor Sam Houston. He took part in numerous campaigns with the Comanches and earned a commendation from Governor Houston.

With the opening of the Civil War, Sul Ross joined the Confederate Army. He participated in more than a hundred battles in the War Between the States and attained the rank of Brigadier General. At the close of the war General Ross returned to Texas. He took up farming for a brief period until the citizens of McLennan County persuaded him to enter politics. He served in the State Senate and then was elected Governor of Texas in 1886. From 1887 until 1891 Sul Ross gave Texas one of its best administrations.

At the expiration of his second term as governor, Ross became president of the Agricultural and Mechanical College of Texas, a position he held until his death in 1898. Under his leadership, Texas A & M grew into a college that commanded the respect of all Texas.

Sul Ross Middle School in the Northside Independent School District, San Antonio, Bexar County, Texas, now proudly bears the name of the distinguished Confederate soldier, eminent statesman, and successful editor—Lawrence Sullivan Ross.

GENERAL INFORMATION

PEOPLE WHO CAN HELP YOU

Your Principal
The principal is responsible to the Superintendent of Schools for the proper administration of Sul Ross Middle School. It is the duty of the principal to organize, supervise, and administer all of the affairs of the school as they affect students, teachers, parents, and other community members.

Your Vice Principal and Assistant Principal
The Vice Principal and Assistant Principal work directly with the Principal in the administrative organization of the school. They are in charge of attendance and handle the routine discipline problems. They also handle the day to day operations of the school and assume the responsibility of the Principal in the event of an absence.

Your Academic Dean
The Academic Dean assists the principal in the organization, administration, and implementation of instruction, curriculum, personnel, parent relations, and public information. The focus of the Academic Dean is to enable the staff to provide appropriate learning experiences so that all students at Sul Ross Middle School can achieve their potential. This focus will be maintained by addressing writing and implementing curriculum, supervision of instruction, application of research, interpretation of assessment, staff development, personnel assimilation, and programs.

Your Counselors
The counselors are available for consultation on orientation, choice of courses, occupations, and personal issues. The function of the counselors is advisory, not disciplinary. They administer and interpret the annual testing program. They also spend time in individual classrooms as part of a group guidance program.
Your Teachers
Teachers are the classroom leaders and are charged with the responsibility of supervising and directing all students in the pursuit of their education. Teachers objectively assess students’ abilities and determine grades awarded. Students who need special help will find their teachers ready and willing to offer assistance. Teachers are responsible for carrying out the rules and regulations of the Board of Education and any additional policies established by the administration.

THE SCHOOL DAY
Classes begin for Sul Ross students each morning at 8:30 a.m. and end each afternoon at 3:40 p.m. Students may arrive at school no earlier than 7:30 AM and must be off campus by 4:00 PM.

Athletics
Seventh and eighth grade students at Sul Ross Middle School may become involved in organized sports. Athletic participation for boys and girls is optional and the programs come under the jurisdiction of the University Interscholastic League of Texas. All athletic programs are extracurricular activities. Students must have a physical exam and be academically eligible prior to participation.

Attendance
It is the parents’ legal responsibility to ensure that their child attends school regularly and on time: to school. The State Compulsory School Attendance Law requires that all children between the ages of six (6) and eighteen (18) must attend school. The law also states that all children enrolled in school must attend all day, every day, for the entire school year.

Written confirmation of the absence is due when the student returns to school. The excuse note should be delivered to the attendance office the day immediately following the absence. The excuse note should contain the following information:

1. Student name (printed)
2. Student ID# Grade level
3. Parent name (printed)
4. Parent Signature
5. Date(s) of absence
6. Specific reason for absence
7. Telephone number where parent can be reached

When a student’s absence for personal illness reaches three or more consecutive days, a statement from the physician or health clinic verifying the illness or other condition should be provided. The school will not excuse an absence if documentation is submitted more than 3 days after a student returns to school from an absence. If a student has 10 or more absences to date (both excused and unexcused) or establishes a questionable pattern of absences, a doctor’s note will need to be provided for future absences to be excused. The school administration, attendance secretary, and a district attendance officer monitor school attendance. State law requires 100% attendance unless excused by school officials. Parents and students are held responsible for attendance. Students who are absent due to truancy may only receive a maximum grade of 70 on make-up work. It is highly recommended that you schedule appointments after school or on weekends. If you must keep an appointment during the school day, return the child to school unless the doctor recommends immediate home rest. Provide a doctor’s note to the school when your child returns. Arriving late or leaving early disrupts the class, reduces valuable learning time for everyone. Being late or leaving early from school is counted as a partial-day absence, which is a violation of the Compulsory Attendance Law. After 3 unexcused absences an Attendance Warning Notice will be issued. If the unexcused absences continue court action will be taken.

Backpacks
Backpacks and book bags must be made of a mesh or a clear “see through” material. Students will use backpacks to transport homework, supplies, and textbooks during the school day. There should be no writing on the backpack or straps of the backpack. Lockers will not be issued.

Cafeteria Guidelines
- Students must be in the line before the tardy bell rings or they are considered late to lunch.
- Walk to the lines. Cutting or saving places is not permitted.
- Food and drinks may only be consumed in the cafeteria. These items may not be taken to any outside area.
- Clean up after yourself. Food or other items are not to be thrown.
- Students will not be released from the cafeteria until approved by the lunch supervisor.
- Once students leave the cafeteria, they may not re-enter.
- Parents are encouraged to join their child for lunch. Outside food can not be shared with other students.

Cell Phones/Personal Electronic Devices/BYOD
Northside Board Policy allows middle school students to have a cell phone at school. However, from the time of arrival on campus until 3:40 PM, the phone must be turned off and out of sight. Any use of the cell phone or disruption during the school day will result in having the phone confiscated and disciplinary action taken. Camera use is not permitted on campus at any time. (See Section D)

Personal Electronic Devices (PED’s) must be turned off and not visible during the school day unless you are in a school designated “electronic device zone” or using the device for “teacher approved” instructional purposes. Students who violate this policy will be subject to escalating consequences which might include confiscation of the device and require a parent to pick up the device. Students should follow specific guidelines regarding PED’s in Section B and Section E of the Student-Parent Handbook which include the Acceptable Use of District’s Technology Resources.

Classroom Behavior Expectations
PROMPT: I will be in my seat before the tardy bell rings.
POSITIVE: I will always enter the room with PRIDE, expecting to learn something new every day.
POLITE: I will respect the rights of others to learn. I will remain in my seat and listen while teaching and learning is in progress.

Parents will be contacted to provide proper attire should their child arrive at school and not be in compliance with the school’s uniform policy. Persistent noncompliance with the uniform policy will lead to disciplinary action.

**Dress Code Expectations**

Students will be expected to dress appropriately (i.e., NISD dress code) at all school functions. Any violation of the uniform policy or dress code will result in administrative action. The principal may review requests for exceptions.

**Gum**

Gum is not allowed at school. Students who violate this are subject to disciplinary action. This rule applies to any student on the campus before, during, or after school.

**Health Care – Sickness at School**

The school nurse or school personnel give first-aid only. They do not diagnose illnesses but take note of symptoms and observe students. If the student is seriously ill, injured, or unable to return to class, the parents will be notified. We ask that children be kept at home when ill. This is most important for the health of the child and for the health of all children in school. It is recommended that a child be kept at home for 24 hours after they are completely free of fever. Please remember that students are not allowed to carry any type of medication on campus. Parents/guardians should bring medication to the school with a student.

If a student becomes ill or is injured, he/she will be given first-aid or other appropriate care in the clinic. If the student needs immediate medical attention or is too ill to return to class promptly, parents, guardians or another alternate adults listed on the medical card should pick the child up promptly.

The parent or guardian is responsible for furnishing ALL emergency information on the student’s medical card including alternative adults and current phone numbers. If this information changes, it must be updated immediately with the school nurse. TO INSURE THE STUDENT’S SAFETY ONLY PERSONS LISTED ON THE MEDICAL CARD ARE ALLOWED TO SIGN A STUDENT OUT OF SCHOOL. In the event the designated persons are unavailable, it is the parent’s responsibility to make arrangements for the student to be picked up, and to notify the school as to the person picking the student up.

In extreme emergencies E.M.S. will be called. PAYMENT FOR E.M.S. IS THE RESPONSIBILITY OF THE PARENT.

**Late to School**

Students arriving after 8:30 AM must report to the attendance clerk. Students will be required to sign-in and will be issued a detention hall for late arrival. The attendance clerk will provide the student with an admit slip to class.

**Leaving School**

In extreme emergencies E.M.S. will be called. PAYMENT FOR E.M.S. IS THE RESPONSIBILITY OF THE PARENT.
STUDENTS WHO WALK, RIDE A BUS, OR ARRIVE BY CAR ARE TO REMAIN ON CAMPUS ONCE THEY ARRIVE IN THE MORNING. Any student that leaves campus without first signing out in the attendance office will be subject to disciplinary action. A parent, or parent designee, must sign the student out. Students leaving or returning to school during the day must check in/out with the attendance secretary.

Library
Each campus library supports the curriculum and provides a wide variety of materials suitable to the interest and abilities of students in their pursuit of knowledge and love of reading. Information literacy skills for life-long learning are taught, practiced, and applied. Home access to the online card catalog is available at http://webcat.nisd.net/. In order for each school to maintain a high quality collection, students learn responsibility in caring for library materials. If library materials are lost or damaged the student is expected to pay for them.

The library is a vital tool in the educational process. In order to maintain the library efficiently, a set of regulations has been formulated.

1. Students must present library passes to the librarian when entering the library.
2. Students must maintain quiet, acceptable behavior in the library.
3. Students must use their I.D. number to check out materials.
4. Students are responsible for prompt return of library materials.

IF YOU FIND ANY ARTICLE OF VALUE, TURN IT IN TO THE OFFICE IMMEDIATELY. Students are urged to take every precaution to protect their possessions. Please note that Sul Ross MS is not responsible for lost or stolen items.

Students should not bring expensive or valuable items to the school, and students should carefully label each article, such as clothing, books, and supplies in order that each may be easily identified. If you accept an item that is not yours or are in possession of an item that is not yours, you will be subject to disciplinary measures. LOST AND FOUND ITEMS COLLECTED BY THE 20TH OF EACH MONTH AND NOT CLAIMED BY THE 30TH WILL BE DONATED TO CHARITY.

Lunch Money
The school does not loan lunch money to students. Therefore, students are advised to have money in their accounts to purchase a lunch ticket for emergency use.

Make-Up Work
Students are occasionally absent from class for a variety of reasons. The responsibility for make-up work in these instances rests completely with the student. Make-up work will be provided for absences by request on the morning of the third consecutive day of absence. Please call before 9 a.m. Being away on a school sponsored trip will not be considered an excuse for not turning in work on time and correctly completed.

We ask your assistance when your child is absent from school. Further, when your child returns to school they are required to have a written note that contains the following information: student name (printed), student ID #, grade level, parent/guardian name (printed), parent/guardian signature, date of absence, specific reason for absence, and telephone number where parent/guardian can be reached. This information is required since attendance records are auditable, legal documents. Except in cases of extended illness, the student is responsible for gathering and completing make-up work upon his/her return to school.

The offices are open from 8:00 a.m. until 4:00 p.m. each school day. All school business should be transacted during these hours. Please call the office (397-6350) to schedule appointments with teachers, counselors and administrators.
