FOREWORD

To Students

This handbook outlines the policies and procedures pertaining to student activities and responsibilities as set forth by the Board of Trustees of the Northside Independent School District. We ask you to read, understand, and abide by the rules and regulations stated in this handbook.

To Parents

The purpose of this handbook is to give you and your child information about the Northside Alternative High School. Frequent reference to this handbook will acquaint you with the functions of this school. Please feel free to contact the teachers, counselor, and the administration any time you feel they can be of service.

The home is the greatest influence upon your child during the early years of life; from these influences your child develops his/her first habits and obtains most of his/her ideals and attitudes. The influence of a good home cannot be duplicated in the school; therefore, it is most important that the home and school work together for the best development of your child.

Please make every effort to encourage your child to attend school regularly and to be on time. Failures are often attributed to irregular attendance, while tardiness tends to develop the wrong habits and attitudes toward life and responsibilities.

We look forward to working with you.

THE PURPOSE OF NAHS

The purpose of the Northside Alternative High School is to provide a positive but disciplined educational setting for those Northside high school students, grades 9 through 12, whose disruptive and/or unacceptable behavior at their regular school may not warrant expulsion, but whose behavior warrants removal from their home campus. Northside Alternative High School offers a supervised, highly-structured educational alternative to expulsion, where curriculum is delivered at the same scope and sequence as the student’s home campus.

ASSIGNMENT TO NAHS

Students are assigned to the Alternative School only after a hearing has been conducted to determine the appropriateness of the assignment; the participants in this hearing include the School Board’s designee and/or an administrator from the student’s home campus, the student’s parent/guardian, and the student. The Hearings are conducted at the Office of Pupil Personnel.

In the case of Special Education students, an ARD committee is convened at Central Office to determine the most appropriate educational setting. In the case of Section 504 students, a Section 504 committee is convened at the home campus to determine the most appropriate educational setting.

Once a student has successfully completes their assignment to the Northside Alternative High School, he/she will be given a re-entry form to be admitted back to their home campus. Parents must contact the administration of the home campus and set up a re-entry appointment.

While assigned to the Alternative School, students must demonstrate their ability to conform to the school rules. Failure to do so may result in another hearing at the Central Office with the recommendation for the student’s expulsion from NISD.

CURRICULUM AT NAHS

Students are placed in an individualized academic program as close as possible to their home school program. In addition, students may be enrolled in a citizenship class to discuss self-concept, personal motivation, individualized responsibility, study skills and career choices.

High School students are assigned their incoming or comparable courses. Classes offer the same curriculum and are highly-structured. NAHS staff work closely with the home campus, administration, counselors, and teachers to provide students advanced courses and electives similar to those at their home campus.

Google Hangouts AP/Dual classes/assignments are student/parents responsibility.

Students must pass a safety test to enroll in vocational training. Materials for personal shop projects are student-provided.

Physical Education requires students to wear gym shoes, shorts and shirt or -warm-ups.

FINANCIAL OBLIGATIONS

In order for a senior to participate in senior related activities including but not limited to prom, invitation distribution, cap and gown distribution, graduation rehearsal, and project graduation, the student must be in financially good standing with the campus and the school district. Seniors must clear all debts and obligations prior to these events. Debts and obligations could occur from club, class, or organization dues; spirit, fine arts and athletic organization supplies and activities; uniforms; textbooks; fundraising events; and any other financial debt or obligation from school owned items checked out to the student.

HALL PASSES

Students must have a pink pass in their possession, signed by a member of the faculty/staff, any time they are out of a classroom.

NAHS DISCIPLINE PHILOSOPHY

NAHS practices a definite discipline philosophy throughout all classrooms, hallways, cafeteria, gym, and on the buses. Disruptions will not be tolerated. If a student chooses to break a rule, consequences will be swiftly assessed.

Parents are asked to read and sign the rules signifying they are aware of the expectations at NAHS.

REPORT CARDS / PROGRESS REPORTS

At the end of each grading period, report cards will be sent home so that parents will know the progress of their student. Academic and citizenship grades appear on the report card.

The third week of each six weeks, a progress is sent home to be signed and returned on the following Monday to the first period teacher. The information on the progress report is designed to help parents and students see what needs to be done to raise the student’s grade to passing by the end of the grading period, or to explain the reasons the student received a failing grade in a particular subject for the six-weeks grading period.
NAHS STANDARDIZED DRESS CODE

The district has adopted standardized attire for all students enrolled in the Northside Alternative High School. All students assigned to NAHS will adhere to the standardized attire requirement.

The standardized attire consists of:

6. Items should be claimed within five (5) school days to ensure their safe return. Items left for an extended period of time will be considered abandoned and will be donated to charity.
7. Parents will be contacted to provide proper attire should their child arrive at school and not be in compliance with the school's standardized dress code.
8. The above information is subject to change as new trends in gang-related activities or other societal clothing concerns need to be addressed.
9. Final determination of acceptable dress and grooming rests with administration and cannot be appealed.
NORTHSIDE ALTERNATIVE HIGH SCHOOL SPECIAL REGULATIONS

Rules at the Northside Alternative High School are very different from home campus school rules. All students must follow these rules and regulations:

WITHDRAWAL FROM SCHOOL

Office personnel would appreciate notification several days in advance of the day a student plans to withdraw from school. No student will be withdrawn from school without a request from the parent or guardian. This request should be in writing.

Withdrawals at the End of a grading period and Testing

No one will be withdrawn after the scheduled "last day for withdrawals" at the end of a grading period or during STAAR or TAKS testing.

Students will remain at the Alternative school through testing and will be withdrawn when the testing schedule is complete if the student's assignment is complete.

CRITERIA WITHDRAWAL (PARENTS DO NOT COME WITH STUDENTS FOR CRITERIA WITHDRAWAL.)

The student will be called into the Counseling Office on the day that Criteria is met. The student will then be given the Criteria Letter and withdrawal paperwork which is necessary to return to their Home Campus. (The student will be in class for the entire day.)
