

2018-2019 Official District Instructional
Materials Adoption Committee, Northside
Independent School District,
San Antonio, Texas

According to District Board Policy EFAA (Local)

“Each subject area committee shall elect one member as its representative to the District instructional materials committee. The District instructional materials committee shall consist of a representative from each of the subject area committees and the appropriate instructional specialists. The number of members shall vary according to how many subjects are being reviewed and are up for adoption.”
